#### OUR MISSION

Together, we're  
leading the way.

#### OUR VISION

Inspiring learners to create success for themselves  
and their communities through the best in innovative  
and transformative education.

#### OUR VALUES

- » Collaboration
- » Diversity and inclusion
- » Excellence
- » Innovation
- » Integrity
- » Respect
- » Social responsibility

#### BOARD GOALS FOR 2021-2022

- » **OVERSIGHT** Effectively discharging all responsibilities  
in the Board work plan, including fiduciary duties.
- » **GENERATIVE GOVERNANCE** Engaging in discussion  
about the Board's philosophy and governance,  
including the review of its current model and  
framework, to ensure alignment with strategy and  
best practices.
- » **CONTINUOUS IMPROVEMENT** Participating in  
professional development opportunities and  
regularly reviewing Board processes to identify  
opportunities for improvement.
- » **STRATEGIC LEADERSHIP** Providing strategic  
leadership as it relates to post-pandemic recovery  
and monitoring of the Board's strategic plan.
- » **DIVERSITY AND INCLUSION** Creating an inclusive  
environment and demonstrating leadership in diversity  
and inclusion by reviewing the resulting data from the  
self-identification survey and approaching all Board  
matters in an inclusive and equitable manner.
